

*The Dream PA*<sup>®</sup>

**The Dream PA helps support hundreds of businesses like **YOURS** with its popular Virtual Receptionist service.**

**You can:**

- Make sure you don't lose business through missed phone calls
- Create a professional first impression of your company to callers
- Manage your time to suit priorities by making return phone calls when you are able, rather than dealing with constant interruption
- Make more money in less time – having the service streamlines your processes so you can concentrate on growing the business
- Be in control - you choose how and when you divert your phone.
- We can take all your incoming calls or answer only when your line is busy or unattended.

**Advantages:**

- We will answer the phone as if we were sat in your office!
- Messages are emailed to you as they come in!
- We can send messages by SMS text!
- Calls can be patched through to you!
- Geography is not a limitation – you can divert your phone from anywhere!
- We can supply both geographic phone numbers for your use and non geographic (0845, 0800 or 0870)
